

## **Activity: How do You Feel about Yourself as a Player on the Management Team?**

The following are some of the obstacles team players may be working with:

- A weak sense of direction
- Infighting
- Shirking of responsibilities
- Lack of trust
- Critical skill gaps
- Lack of external support

Keeping in mind the above obstacles, as well as the criteria established in your training manual about what constitutes effective team behaviour, do some honest soul searching. List below your strengths and weaknesses related to your role as a member of the larger management team.

This exercise is for your own information only and will not be shared with the group.
