

### Activity: Developing Support for Innovative Solutions

Keeping in mind the team situations that you selected earlier, make a few notes about each of the following:

What expectations do other stakeholders have for your team? How many of these are unrealistic?

---

---

---

---

---

---

---

How could you increase two-way interaction?

---

---

---

---

---

---

---

What would likely create (or destroy) trust and respect?

create trust and respect

destroy trust and respect

### **Facilitator Notes:**

- Ask participants to write their answers in as you go.
- Collect one or two answers for each question.
- Discuss the answers with the class.
