

### **Team Communicating – Bringing It All Together**

Select one item from your matrix on the “What To Communicate” page. Share the results with those at your table. Challenge each other to find creative alternatives that will guarantee support for your team and its efforts. Speculate further about how you might have used communication channels earlier to generate additional support.

<b>What</b>	<b>Who to Tell</b>	<b>Who Communicates</b>	<b>How</b>	<b>When</b>

## **Facilitator's Notes:**

### **Team Communicating - Bringing It All Together**

Desired Outcomes: participants see how each of the five dimensions in this matrix affect each other; and see the value of input from other participants.
